ImdiskJust like the OP, I'm running the current version of both Game Booster and Star Wars: The Old Republic.. System Requirements of Star Wars: The Force Unleashed Ultimate Sith Edition Before you start Star Wars: The Force Unleashed Ultimate Sith Edition Free Download make sure your PC meets minimum system requirements.. Even if your system exceeds all the minimum requirements ( on a new system even), sometimes it will still not work and there is no support from the provider!!!:shock:) We have given up on the \$100 plus we spent.
